Thank You to our Sponsors

Get nostalgic about your college days and go back to school for a great cause, at...

A unique fundraiser for Franklin Community Center's after-school prevention program, Project Lift

About the event: Have you ever wanted to enroll in a class that interested you, but you hesitated to spend the money? We've got the perfect way for you to expand your knowledge and benefit local children at the same time! This academic-inspired evening will allow you to register for "classes" with talented local professionals, who will act as "professors" by donating their time to teach a class (classes will be scheduled for a later date, so bring your calendar).

If you sign up for classes, you will pay the "registration fee", but instead of paying the "professor", **all proceeds will benefit Project Lift!** It's a great way to sign up for a topic that interests you, while also making a difference in the lives of local kids!

Project Lift University

When: October 11, 2012

Where: Longfellows, 500 Union Ave.

Time: 6:30 p.m. to 9:30 p.m.

Cost: \$75 per person includes classic college food stations with heavy hors d'oeuvres, beer, wine and music by Kid DJ
And you don't need to buy a fancy outfit, either!

About the cause: Project Lift is a free, after-school prevention program, offering a safe, caring and structured environment for youth in grades 1-5, in the Saratoga Spring City School District. Our unique approach heightens children's social and emotional competence, improves decision-making skills, offers lessons on the prevention of tobacco, drugs, alcohol and bullying, boosts self-esteem and helps strengthen the bond between child, family, school and community. The staff also ensures that the needs of the families are met as requested, including food, clothing, school supplies, holiday assistance, summer camp scholarships and more. All services are free to the families involved. Our comprehensive approach, combined with a trained and compassionate staff, gives children and their families a sense of support and advocacy.
